CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter, the writer present the conclusion and suggestion based on the analysis which contains conversational implicature identified in the utterance produced in dialogue transcript of *22 Jump Street* movie. The conclusion and suggestion presented below:

5.1 Conclusion

5.1.1 The types of conversational Implicature are diveded into two types. Frist is generalized conversational implicature is when no special knowledge is required in the context to calculate the additional conveyed meaning. There are 11 data included type of generalized conversational implicature. The second is particularized conversational implicature is an implicature where some assumed knowledge is required in very specific contexts during a conversation. There are 19 data included type of particularized conversational implicature.

5.1.2 The function of implicature are derived into five functions, they are Representative, Directive, commissive, Expressive and Declarative. There are 13 implicatures wich has Representative function involving informing, refusing, affirming, asserting, critisizing and claiming. There are 5 implicatures which have Directive function involving ask, command, advice, and requesting. There are 10 implicatures which have Expressive
