CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter will be present the conclusion and suggestion for the study. That is related to the research finding.

5.1 Conclusion

After the analyzing, the writer makes the conclusion from this research. The writer wants describe slang word are used by Justin Bieber song's lyrics and characteristic of slang word.

Slang is in the informal words used by a particular social group and each has the positive and negative meaning, and the meaning depends on the user. However, the meanings of slang language used in Justin Bieber song lyrics are varieties. Such as *Backpacker* means *shoulder*, *Gotta* means *going to*, *c,mon* means *come on*, *cause* means *because*, *etc.*

The characteristic of slang word used in Justin Bieber song lyrics is.

a. Blending.

   Is one of slang words formation process that created by two words. Typically, the beginning of the word is joined to the end of the other word. For example is *tryna* means *try to*, *gotta* means *going to*.

b. Clipping.

It refers to shortening, cutting, or reducing long words. Clipping may occur in front or back part of a word. Besides, in clipping process, it may be replaced with certain new spelling. There are as examples for clipping.

For example *Phone* This word shortening from *telephone*, *DJ* shortening from *Disk Jockey*.

c. Coinage

Coinage is the invention of totally new words, the typical process of coinage usually adopts the brand names as common words. The example in lyrics by Justin Bieber is *Backpacker:* The word backpacker refers to shoulder

d. Acronym

Acronym are formed by taking the initial sounds (or letters) of the words of phrase and uniting them into a combination. Some examples in the song lyrics by Justin Bieber is.

DJ: Disc Jockey

Every slang word that have own meaning. The slang words is the formality of language is tied to the situation, most of the slang words are used in informal situation, so the rapper often uses informal language. Every language contains vocabulary and grammar, but sometimes there is not grammar in words structures, it cannot be considered as grammatical language.
