| <b>ABSTRACT .....</b>                                   | <b>vi</b>   |
| <b>ACKNOWLEDGEMENT .....</b>                            | <b>viii</b> |
| <b>LIST OF CONTENT .....</b>                            | <b>ix</b>   |
| <b>LIST OF TABLE .....</b>                              | <b>xii</b>  |
| <b>LIST OF APPENDICES.....</b>                          | <b>xiii</b> |
| <b>CHAPTER I: INTRODUCTION .....</b>                    | <b>1</b>    |
| A. Background of The Study.....                         | 1           |
| B. Problem of the Study.....                            | 3           |
| C. Objective of The Study .....                         | 4           |
| D. Significance of the Study .....                      | 4           |
| E. Scope and Limitation of the Study.....               | 4           |
| F. The Definition of Key Term.....                      | 5           |
| <b>CHAPTER II: REVIEW OF THE RELATED LITERATURE ...</b> | <b>7</b>    |
| A. English for Specific Purpose (ESP) .....             | 7           |
| 1. The Characteristics of ESP .....                     | 7           |
| 2. Types of ESP.....                                    | 8           |
| B. Definition of Needs .....                            | 9           |
| C. Definition of Needs Analysis .....                   | 9           |
| 1. The Purpose of Need Analysis .....                   | 10          |

|                                                                             |           |
|-----------------------------------------------------------------------------|-----------|
| 2. Procedure of Need Analysis .....                                         | 10        |
| D. Students' Need.....                                                      | 11        |
| E. Definition of Syllabus .....                                             | 12        |
| F. English for SMK.....                                                     | 13        |
| G. Review of The Previous Studies.....                                      | 15        |
| <b>CHAPTER III: RESEARCH METHODOLOGY.....</b>                               | <b>18</b> |
| A. Approach and Research Design.....                                        | 18        |
| B. Research Presence.....                                                   | 19        |
| C. Research Location.....                                                   | 19        |
| D. Data and Source of the Data.....                                         | 20        |
| E. Research Instrument.....                                                 | 21        |
| F. Checking Validity of Findings.....                                       | 23        |
| G. Research Stages .....                                                    | 23        |
| H. Data Analysis Technique.....                                             | 24        |
| <b>CHAPTER IV: FINDING AND DISCUSSION.....</b>                              | <b>26</b> |
| A. Finding .....                                                            | 26        |
| 1. Finding of students' need in learning English .....                      | 26        |
| a. Overview of target situation analysis.....                               | 26        |
| b. Overview of learning need analysis.....                                  | 32        |
| 2. Finding of the existing English syllabus .....                           | 44        |
| a. Overview identity .....                                                  | 45        |
| b. Main competence.....                                                     | 45        |
| c. Basic competence .....                                                   | 46        |
| d. Learning material and learning activity .....                            | 49        |
| 3. Finding of the suitability of Students' Needs and English Syllabus ..... | 52        |
| B. Discussion.....                                                          | 56        |
| 1. Discussion of students' needs in learning English.....                   | 56        |
| a. Target situation analysis.....                                           | 56        |
| b. Learning need analysis .....                                             | 58        |
| 2. Discussion of the existing English syllabus .....                        | 60        |
| a. Overview identity .....                                                  | 60        |
| b. Learning material.....                                                   | 61        |

|                                                                                |           |
|--------------------------------------------------------------------------------|-----------|
| 3. Discussion of the suitability of students' needs and English syllabus ..... | 63        |
| a. Target situation analysis.....                                              | 63        |
| b. Learning needs analysis .....                                               | 64        |
| <b>CHAPTER V: CONCLUSION AND SUGGESTION.....</b>                               | <b>65</b> |
| A. Conclusion.....                                                             | 65        |
| B. Suggestion .....                                                            | 66        |
| <b>REFERENCES .....</b>                                                        | <b>68</b> |
| <b>APPENDIX</b>                                                                |           |

## LIST OF TABLES
