| <b>TABLES' LIST</b> .....                            | xiii |
| <b>CHAPTER I INTRODUCTION</b> .....                  | 1    |
| A. Background of the Study .....                     | 1    |
| B. Problem of Study.....                             | 6    |
| C. Objectives .....                                  | 6    |
| D. Significance of the study.....                    | 6    |
| E. Scope and Limitation.....                         | 7    |
| F. Definition of Key Terms.....                      | 8    |
| <b>CHAPTER II REVIEW OF RELATED LITERATURE</b> ..... | 9    |
| A. The Nature of Speaking .....                      | 9    |
| B. Speaking Skill .....                              | 11   |
| C. The Teaching of Speaking .....                    | 13   |
| 1. The Principle of Teaching Speaking.....           | 14   |

|                                                                             |           |
|-----------------------------------------------------------------------------|-----------|
| 2. The Objective of Teaching Speaking of Senior High School .....           | 16        |
| D. The Nature of Song .....                                                 | 17        |
| 1. Types of Song.....                                                       | 18        |
| E. Song as a Means of Increasing the Student's Motivation in Learning ..... | 19        |
| 1. The Technique of Teaching English by Using Song .....                    | 20        |
| 2. The Criteria of Choosing Song.....                                       | 23        |
| F. Speaking Assessment and Scoring Technique.....                           | 25        |
| <b>CHAPTER III RESEARCH METHODOLOGY.....</b>                                | <b>33</b> |
| A. Research Design.....                                                     | 33        |
| B. Research Procedure .....                                                 | 34        |
| C. Population and Sample of the Research .....                              | 35        |
| D. Setting .....                                                            | 36        |
| E. Instrument .....                                                         | 36        |
| F. Hypothesis.....                                                          | 37        |
| G. The Procedure of Data Collection.....                                    | 37        |
| 1. The Normality Test.....                                                  | 37        |
| 2. The Homogeneity Test.....                                                | 40        |
| 3. The Differences between Means .....                                      | 41        |

|                                                                                   |           |
|-----------------------------------------------------------------------------------|-----------|
| <b>CHAPTER IV THE DATA PRESENTATION AND DISCUSSION .....</b>                      | <b>43</b> |
| A. The Application of Using English Songs at MAN Lamongan .....                   | 43        |
| B. The Effect of Using Song on Students' Speaking Ability at<br>MAN Lamongan..... | 48        |
| C. The Data Analysis .....                                                        | 48        |
| 1. The Calculating of Normality Test .....                                        | 48        |
| 2. The Calculation of Homogeneity Test.....                                       | 56        |
| 3. The Calculation of Differences between Means .....                             | 57        |
| <b>CHAPTER V CONCLUSION .....</b>                                                 | <b>60</b> |
| A. The Conclusion .....                                                           | 60        |
| B. Suggestion.....                                                                | 62        |
| <b>BIBLIOGRAPHY</b>                                                               |           |
| <b>APPENDIXS</b>                                                                  |           |

## **TABLES' LIST**

1. Rating scale table
2. Weighting table
3. FSI converting table
4. Dependent and independent variable table
5. Frequency and expectation distribution table
6. Scoring table
7. Z table
8.  $X^2$  (chi square) table
9. F table
10. T distribution table
